CURRICULUM VITAE

Name   ------------------------ **KRISHNAN GANAPATHY**
Date of Birth   ------------------------ 19th December 1950
Age   ------------------------ 73 Years
Nationality   ------------------------ Indian
Permanent Address
Plot 228, 2nd Main Road, Spa Eco City
180/1A7 Kostanapally Village
Sevaganapalli Post, Echangur Panchayat
Hosur, Tamilnadu 635103 INDIA

Present Occupation ------------------------ 1) Director,
     Apollo Telemedicine Networking Foundation &
     Apollo Tele Health Services
     21 Greams Lane, off Greams Road, Chennai 600006, India

     2) Distinguished Professor
      Tamil Nadu Dr MGR Medical University
      Chennai, Tamil Nadu India

     3) Distinguished Visiting Professor IIT Kanpur

     4) Emeritus Professor, National Academy of Medical Sciences

SYNOPSIS OF CV

1. **First in South Asia to get a Ph.D. in Neuroimaging 1990**

2. **First in South Asia to start and develop Stereotactic Radiosurgery in 1995**

3. **First in South Asia to start and develop Clinical Telemedicine (2000**)

4. Elected by peers as Secretary of a National Society, President of 3 National Societies, and Secretary General of the largest continental society of neurosurgeons

5. **Delivered 203 guest lectures overseas and 622 in India**

6. Authored 135 papers in peer reviewed journals

7. Authored 24 chapters in text books

8. Authored 224 articles in magazines, newspapers

9. Personally organized three major national conferences and played a major role in assisting in the organization of 21 national conferences and international conferences.

10. **Responsible for initiating Telemedicine in the Armed Forces of India**

11. **Social activities include being a co respondent in a PIL in the Madras High Court to enforce helmet use in Tamil Nadu**

12. **Member of 15 hi level Govt of India committees in telehealth**

13. **Member of 10 international committees in telehealth**

14. Supervised 16 dissertations including 5 PhD – examiner for PhD

15. Received several awards, orations and national recognitions

16. Winner of several prizes, awards and distinctions even as an undergraduate

   Full details available on https://kganapathy.in/

ACADEMIC QUALIFICATIONS

1. Fellow, Madras Medical College 2010

2. **Fellow, National Academy of Medical Sciences** 2007

3. **Ph.D. in Neurosurgery** from Madras University in 1990 for thesis "CT Numbers in Intracranial Space Occupying Lesions and its diagnostic significance" - Sixth Neurosurgeon in India to be awarded a Ph.D and first in Neuroimaging

4. Fellow, International College of Surgeons since 1987

5. Fellow, American College of Surgeons (only Neurosurgeon from India to be awarded the FACS in 1986 and one of the youngest F.A.C.S. from India)

6. M.N.A.M.S (Neurosurgery) Certified by the National Board of Examinations in Neurosurgery in April 1981 - third neurosurgeon in India, the only one in 1981 and the second in India to be certified in the first attempt

7. Awarded M.S (Neurosurgery) degree of the Madras University after five years of post-graduate training from April 1975 to April 1980 @ The Institute of Neurology, Madras Medical College

8. Awarded the M.B.B.S. Degree of the Madras University in January 1975

MEMBERSHIP & POSITIONS IN NATIONAL AND INTERNATIONAL SOCIETIES

1. Life Member, IIT Alumni Center Bengaluru Aug 2023 – only non-alumni to be elected based on contributions and being a Visiting Faculty to IIT Kanpur

2. Mentor C-CAMP, Life Science Innovation and Entrepreneurship Ecosystem

3. CCAMP https://www.ccamp.res.in Karnataka Start-up Advancement Programme (K-SAP) Bio50

4. Elected as Honorary Emeritus Fellow Global Association of Physicians of Indian Origin www.gapio.in

5. Vice Chairperson of Working Group **"Digital Health for Space and extreme environments"** under the International Society for Telemedicine and eHealth https://www.isfteh.org/working_groups/category/digital_health_for_space_and_extreme_environments

6. Member Board of Advisors Humans in Space Programme Intech Open and InnovaSpace

7. Member of the Scientific Advisory Group on Devices and Diagnostics. Dept of Biotechnology Govt of India from Jan 2018

8. Member of the Technical Advisory Group, Grand Challenges India, Dept of Biotechnology Govt of India from Jan 2018

9. **Principal Expert** Need assessment Committee of the IBSA Trust Fund, Hai Phong Medical University and WHO Western Pacific region for implementation of eLearning and telehealth programmes in the Northern

Coastal region of Vietnam https://www.unsouthsouth.org/2017/08/24/indias-apollo-tele-health-network-provides-technical-assistance-to-viet-nam/

10. Member, International Advisory Committee http://www.innovaspace.org/board-of-advisors.html **ISMC International Space Medicine Consortium http://www.spacemedicineconsortium.com/mission**

11. **Mentor iB Hubs http://ibhubs.co/13nov/ iB Hubs Official Announcement - 13 November 2016 http://udaipurkiran.com/ib-group-announces-its-pan-india-startup-hub-ib-hubs-to-provide-end-to-end-assistance-to-startups-in-presence-of-shri-amitabh-kant-ceo-niti-aayog-in-delhi/**

12. Advisor, Tamilnadu Chapter, Telemedicine Society of India

13. Nominated member Medical Electronics Evaluation and Advisory Group (MEAG) of Industry Innovation Programme on Medical Electronics (IIPME) if the Biotechnology Industry Research Assistance Council (BIRAC) under Dept of Biotechnology Govt of India.

14. Mentoring and Evaluation - Social Innovation Technical Advisory Group" (M&E STAG) Social Innovation Programme for Products Affordable & Relevant to Societal Health (SPARSH) under Dept of Biotechnology Govt of India.

15. Member BRICS Working Group International Society for Telemedicine and eHealth

16. Member, Central Asia eHealth Network Study Group (Ministry Of External Affairs, Govt of India)

17. Member, World Federation of Neurosurgical Societies Radiosurgery Committee 2013-2017

18. Member Working Group on M2M Health, Telecommunications Engineering Center Department. of Telecommunications, Govt of India.

19. Member, UAE eHealth Working Group- nominated by Telemedicine Society of India.

20. Life member GAPIO (Global Association of Physicians of Indian Origin) from 2012

21. **Formerly Member Programme Advisory Committees in Health Sciences under Science & Engineering Research Board – a statutory body under the Department of Science and Technology, Government of India**

22. Member, Arbitration Committee Neurological Society of India

23. Member Board of Directors, The Foundation for Advanced Medical Education - Global Telementoring Network http://www.medicalfoundation.org/board-of-directors/

24. Member Scientific Advisory Board, Mediworld

25. **President, Indian Society for Stereotactic and Functional Neurosurgery 2011 to 2013**

26. **President, Telemedicine Society of India 2011**

27. **President, Neurological Society of India 2006**

28. **Secretary, Neurological Society of India 1996 to 2002**

29. **Secretary General Asian Australasian Society of Neurological Surgery 1995 to 2003**

30. Member, Advisory Board ACNS / AACNS / WFNS joint neurosurgical educational programme 2004

31. Faculty Member, C.M.E. Programme Neurological Society of India 1985, 1986, 1992, 1995, 1998, 2001, 2005, 2008 2010, 2012

32. Member National Advisory Committee 3rd Indo Japanese Neurosurgery Conference Mumbai March 20-23 2003

33. Member Advisory Committee International Conference on Medical informatics 2002 Hyderabad

34. Member Cyberknife Society - first Neurosurgeon from South Asia 2008

35. Member, Executive Committee, Neurological Society of India. 1990-92

36. Formerly Trustee, World Federation of Neurosurgical Societies (India) Trust.

37. Member, Society of Telemedicine and e Health in Nigeria

38. Secretary, Madras Science Association from September 1975 to 1978

39. Member, Executive Committee, Madras Science Association from 1969 to 1975

40. Fellow, International College of Angiology

41. Life Member, Indian Me0dical Association

42. Founder Member - Society for Medical Learning and Resources Transfer, Chennai 1983

DEVELOPMENT OF NEW SPECIALTIES

STEREOTACTIC RADIOSURGERY

1. Started the first Stereotactic radiosurgery Unit in South Asia Carried out the first Stereotactic Radiotherapy and Stereotactic Radiosurgery procedure on May 27 and May 30 1995 at the Apollo Specialty Hospitals, Chennai. First Neurosurgeon from South Asia to become a Member of the International Stereotactic Radiosurgery Society 1996. Have one of the largest experience in this subspecialty in South Asia. Have presented number of papers nationally and internationally in this area. Responsible for helping set up several new radiosurgery units and training neurosurgeons.

2. First neurosurgeon from South Asia to be formally trained in Robotic radiosurgery and the first from this region to become a member of the CyberKnife Society in 2008.

TELEMEDICINE

1. **Invited by WHO Vietnam to do a Need Assessment study and advise the Haiphong University of medicine and Pharmacy in a e Learning project Aug 22-26th 2017**
https://www.unsouthsouth.org/2017/08/24/indias-apollo-tele-health-network-provides-technical-assistance-to-viet-nam/

2. **Nationally and internationally recognized as one of the pioneers who played a major role in the growth and development of Clinical Telemedicine in India – formally commissioned by Bill Clinton on March 24th 2000 at Aragonda (have given invited lectures in India, invited lectures overseas with quoted publications). Member of about 12 Govt committees. Head of the largest and oldest telemedicine network in South Asia (Apollo Telemedicine Networking Foundation). Over 13 million teleconsultations have been given so far. Recent average is about 10,000 per day.**

3. Playing a major role in introducing mHealth in India including assisting in setting up of a 24/7 Medical Response Center

4. First in India (Aug 2007) to carry out clinical trials in wireless telemedicine

5. Tele-camps: Principal Organizer Mega Multi Speciality Tele Camp Ajmer Feb 11th to 12th 2012, Surat Feb 16th, Srirangam Feb 24th and Bodinayak Feb 25th 2012. With 548 tele-consultations in 13 specialties from 6 tertiary hospitals in 18 hours the Ajmer tele-camp is possibly the world's largest tele-camp from a Hospital on Wheels http://www.telemedicineindia.com/media/Ajmer/ajmer-camp-01-TheHindu-Delhi-27022012.htmlhttp://www.telemedicineindia.com/photogallery/Ajmer.html

6. Overseen setting up telemedicine units at 14,000 ft height in the Himalayas for the Himachal Pradesh government and providing telehealth to 60000 Internet enabled villages (http://health.csc.gov.in/services/telemedicine-consult-a-doctor/apollo-telehealth-services/) Columbia University had selected ATNF as a case study to demonstrate global best practices.

7. Contributed to setting up of 183eUPHC and 115 Tele ophthalmology Centres for Govt of Andhra Pradesh

ORATIONS, AWARDS & RECOGNITIONS

1. Jury Startups selection 6-7th October 2023 https://www.caho.in/cahotech2023/ New Delhi

2. 25th Achantha Lakshmipathi Oration Jan 30th 2023 @ VHS Chennai "Good Death in Neurological Practice"

3. Distinguished Visiting Professor IIT Kanpur for 2 years from Dec 1st 2022

4. Appointed Member Roster of Experts on Digital Health WHO 2019. Member Expert Sub Group mDementia World Health Organisation

5. Included in first Honors list of Global Association of Physicians of Indian Origin (GAPIO) for the month of July 2021.

6. P S Ramani Oration annual conference of Neuro Trauma Society of India Agra, Aug 24th 2019

7. Community Services Award Apollo Hospitals Group (comprising of 70 hospitals) won for the 5th year in succession by the Telemedicine Dept

8. Silver Jubilee oration Telehealth in India: The Apollo Story Thiruvananthapuram Medical College Sep 2018

9. Indian Express Healthcare Award 2017 for Himachal Telemedicine Project for Category "The most effective Technology System" by a State Government.

10. National Financial Express – Healthcare Sabha Awards 2017 awarded to ATNF for Himachal Pradesh Telemedicine and Tele Emergency Services.

11. Rural Marketing Association of India (RMAI) instituted Flame Awards Asia 2016 to recognize excellence in marketing, promotion and initiatives across rural markets of India for project "Rural health care thro CSC's".

12. Apollo National Innovation and Quality award Runner up 2017 for the project "e UPHC"

13. Apollo National Innovation and Quality award 2016 for the project "Reaching the Unreached: Remote Healthcare for an Isolated Community in the Himalayas

14. Apollo National Innovation and Quality award 2015 for "Excellence in Community Services" - a STUDY ON "Patient empowerment in rural Tamil Nadu – the eWay"

15. HIMSS Asia Pacific Elsevier Award for Outstanding ICT Innovation in Healthcare - Sept 2014 for I-SEE-U Project (Enabling Virtual Visits to the ICU from anywhere)

16. Special felicitation for contributions to telemedicine at annual conference of Telemedicine Society of India held at Jaipur Nov 29th to Dec 1st 2013.

17. Member of Jury 4th Annual Healthcare Award Frost and Sullivan Mumbai Sep 21st 2012 award http://zeenews.india.com/biz/businesswire/32499news.html

18. **Best Poster Award for poster on "Electronic House Visits in an emerging economy" http://www.worldcongress.com/events/HR11000/pdf/posters/APOLLO_HOSPITALS.pdf at Washington, U.S.A. April 4th to 6th 2011.**

19. Member of the 1968 Batch Madras Medical College – awarded best batch award Platinum Centenary Celebrations of MMC 2010

20. 2nd Dr Sanathan Rath Oration "Health care in 2025 – A Peep into the Future" Bhubaneshwar 28th Feb 2015 at the Foundation for Research Innovation Education and care in Neurological Disorders

21. **Singapore Government Technology Awards 2007 – Runner-Up Award for Project. 'VSAT Enabled Rural Telehealth in a Developing Country"**

22. **National Academy of Medical Sciences 2009 Achanta Lakshmipathi Oration Award Lucknow mHealth the Reinvention of Healthcare.**

23. **27th Dr Achanta Laxmipathi Oration delivered at Madras Medical College , Madras on 28th August 2008 – "Telemedicine and Neurosciences"**

24. **A.D. Seghal Oration – "Telemedicine in Neurotrauma" on 20thAugust 2006 at the 15th annual conference of the Neurotrauma Society of India. New Delhi**

25. **Featured as case study by Center for Health Market Innovations, Indian School of Business, Hyderabad, India. Alignment number http://healthmarketinnovations.org/program/apollo-telemedicine-networking-foundation-atnf 2011**

26. Invited as "Honoured Guest" to address the Annual conference of American Association of Physicians of Indian Origin – Phoenix, 23rd Sep 2006.

27. Invited as "Honoured Guest" to address the Korean Neurosurgical Society April 2005

28. Awarded the University of Madras Dr A L Mudaliar Endowment Oration – August 2002

29. Awarded the International College of Surgeons, Indian Section, Dr H Karmakar Oration Award, 1999

30. Poster "Post traumatic Giant cystic Meningioma" awarded special prize for best poster of the 38th annual Conference of the Neurological Society of India" Dec 1988 Chandigarh

31. Certificate of Merit awarded by COSTED (Committee for Science and Technology in Developing countries) for completing an intensive hands-on course on "Computers and applications in medicine" August 1988

32. Awarded the 1983 'Jr. Medical Scientists Award' by the National Academy of Medical Sciences for training in Micro neurosurgery

33. Department of Science and Technology, Government of India Travel Award as a young medical scientist to participate in the brain storming session on neurobiology held at Bangalore, India in November 1984

34. Training Award - selected by Government of Tamil Nadu to undergo training in advanced Neuro Epidemiology at an international course conducted by the World Federation of Neurology, NINCDS, Department of Science and Technology and ICMR in October 1984 at Bombay, India.

TELEMEDICINE IN ARMED FORCES of India 2002

Instrumental in initiating and setting up the first Telemedicine units in the armed forces of India in the ATNKK area with the help of the then GOC Major. Genl. Anoop Jamwal. Trained armed forces service officers in 20 different units on the use of Telemedicine. Followed this up by helping setup Telemedicine units in the central command again with the assistance of Gen. Anoop Jamwal. Organised a course in Telemedicine for Senior Officers of the central command. Subsequently advised Lt. Gen. Anoop Jamwal, when he became Adjutant Genl. of the Indian army.

CONFERENCES ORGANIZED / CHAIRMAN, SCIENTIFIC COMMITTEE

1. Member Scientific Committee 26th International Conference ISfTeH, Dubai March 7-8, 2022

2. Principal Organiser IMA National Telemedicine Day March 24th 2018 in conjunction with ISRO, IMA and Telemedicine Society of India

3. "Futuristic Healthcare: Telemedicine & Medical Drone Technologies" Dec 16-17 Chennai in conjunction with National Design Research Forum and National Institute of Advanced Studies Chennai

4. Member Board of Directors The Foundation for Advanced Medical Education–"Global Telementoring Network". http://www.medicalfoundation.org/board-of-directors/

5. Member advisory board http://www.telemedicon12.com/advisory.aspx

6. Chairman, Organising Committee 12th National Conference of the Indian Society for Stereotactic and Functional neurosurgery Sep 6th TO 18th 2011, Chennai

7. Chairman, Scientific Committee International Conference on Transforming healthcare with ICT 2010, 2011, 2012, 2013, 2014, 2015, 2016, 2017, 2019, 2023, 2024 http://www.transformhealth-it.org/

8. Member, National Organising Committee and Chairperson Scientific Committee International Conference on Telemedicine 2005, organised by Indian Space Research Organisation

9. Chairman, Organizing Committee- 3rd National Conference of the Telemedicine Society of India & 12th ISfTeH International Conference, 2nd to 4th Nov 2006, Chennai

10. Member, Organising Committee, Regional Asian Stroke Congress & first Indian Stroke Association Congress, 2006

11. Member Organising Committee for 1st, 2nd, 3rd and 4th South Asian Regional Conference on "Ultrasonography in clinical practice" - Feb 89, Sept. 1990, Sept. 1992, and Aug 1994

12. Organising Secretary of National Seminar on "Information resources and services in neurological sciences". Madras, August 1990

13. Member organising committee – first South Asian congress of Neurological surgery, 3rd congress of the Asian Society of Stereotactic, Functional and Computer Assisted Neurosurgery

14. Convenor – National symposium on Head Injuries Annual Conference of Association of Surgeons of India 2000 Bengaluru

15. Convenor 'Head injury section' - II National Conference on Neurotrauma. Madurai Aug 1993

16. Convenor Symposium on "Pre hospital management" Neuro Trauma Conference 2000

17. Convenor National Symposium on "Stereotactic Radiosurgery" Annual Conference Neurological Society of India 1999

18. Chairman, Academic Committee 4th National Neurotrauma Conference

19. Chairman and Moderator National Symposium on "Critical care in Neurosurgery" 43rd Annual Conference of the Neurological Society of India

20. Co Convenor / Editor CME programme Neurological Society of India 1995 – 1996

21. Chairman Scientific Session Neuro trauma section, Neurological Society of India- 1997, 1998, 1999

22. Member, Organizing Committee, International Conference on Neurosciences and Rehabilitation, 8th & 9th February, 2006

PRESENTATIONS AT MAJOR OVERSEAS CONFERENCES –
203 Lectures Delivered in International Conferences - as on 18th Mar 2024

65. Arun Rai, Ganapathy K, Liwei Cheny "Consumer Awareness and Use of Mobile Health Services in India: An Urban Rural Comparison Study" International Conference on Information Systems 2014. Dec 14-17 2014, Auckland New Zealand

66. Invited Speaker at the 12th Congress of the SAARC Academy of Ophthalmology Neuro Ophthalmology, Colombo Sep 28th to October 1st 2014: (a) Neuro Ophthalmic manifestations in Head Trauma (b) Neuro ophthalmic clinical presentations of brain tumours saocolombo2014.org

67. Central Asia ehealth Network (Ministry of External Affairs Govt of India Member Expert Committee. Presentation on "Telemedicine in the proposed Central Asia ehealth Network" presented to (a) Indian ambassador to Uzbekistan (b) Uzbekistan (c) Uzbekistan August 17th to 20th 2014

68. Central Asia ehealth Network (Ministry of External Affairs Govt of India Member Expert Committee. Presentation on "Telemedicine in the proposed Central Asia ehealth Network" presented to (a) Indian ambassador to Turkmenistan (b) Pro Rector State Medical University of Turkmenistan (c) International IT centre Turkmenistan (d) Chief Medical Director Govt Medical Institutes July 7th to 10th 2014

69. 1st Middle East Conference on Telemedicine and eHealth 15th April 2014 Abu Dhabi Invited guest speaker

70. http://www.mobile360series.com/middle-east/Dubai22 October 2013 Conference organised by GSMA. Invited guest lecture in session on Innovating for Health

71. WFNS Educational Course Tanzania (Dar-es-salaam) August 15-17,2013 Invited guest lecture "Telemedicine in Neurosciences"

72. Invited Guest Speaker: Symposium on Asia US Partnership Opportunities SAUPO April 19th 2013 Atlanta USA

73. Co-Chair and Faculty: Workshop on Fundamentals of Telemedicine. Talk on Basics of Clinical Telemedicine December 9th, 2012| Pristina, Kosovo

74. Invited Lectures:
    a. Telehealth in India and South East Asia: An Overview
    b. Telemedicine as Private Enterprise: Is There Any Money On It?
    c. International Congress of Telemedicine and e-Health and the 5th Intensive Balkan Telemedicine and e-Health Seminar in Pristina., Kosovo Dec 9th to 11th 2012

75. Arun Rai, Ganapathy K and Xi Xi Li "Understanding Patient Satisfaction with Teleconsultation Sessions for the Underprivileged in Developing Countries: An Empirical Evaluation in Rural South India" Research Panel on Empowered Patients. WHITE 2012: The Third Annual Workshop on Health IT and Economics October 5-6, 2012, Washington DC.

76. 19th September 2012 SIMposium Asia 2012 Singapore: Guest Speaker mHealth Keynote: The clinician and end-user's view of mHealth; getting mHealth right and engaging end-users

77. Swedish-American Life Science Summit .8th Annual Summit August 22-24, 2012, Stockholm, Sweden. Invited panelist: How the Digital Revolution Will Create Better Health Care

78. July 17th – 18th 2012 Singapore: Guest Speaker: Visionary Panel: Towards Sustainable Healthcare for the Future.

79. Keynote address on June 21st 2012 at CommunicAsia 2012 Summit, Singapore. "A Doctor in your Pocket."

80. May 9th to 12th Montreal, Canada. Round table discussion towards 21st Century Healthcare- Second Health India VIP Open House – Montréal and Centre of Expertise and Coordination of Telehealth (CECoT), located at The Montreal Children's Hospital of the McGill University Health centre. Through Video conferencing with participants from Qubec and other areas in Canada.

81. McGill May 12th Invited Guest Lecture: "The Future of eHealth and mHealth in India – An Overview", Canada

82. Keynote address: "From cure to prevention @ the empowerment of the patient" on April 18th 2012, Dubai at Dubai mHealth @ the mobile show conference

83. Invited Guest Lectures:
    a. Telemedicine in Neurosciences
    b. Neurosurgical Applications of Robotic Radiosurgery: An Overview
    c. South Asian Neurosurgical Congress March 11th to 13th 2012 Kathmandu, Nepal

84. M2M in Health care: An India centric overview an 24th 25thJanuary 2012 Berlin, Germany http://www.enterprise-m2m.com/s1230

85. Mobile Health Connected World Forum Nov1st to 2nd 2011 Invited Guest. The Status of mHealth in India and identifying the main challenges and opportunities. Dubai

86. Invited Presentation: "mHealth the Indian Scenario" at Pharmaceutical mHealth Conference, on 10th October 2011. Through Video Conferencing. London

87. Guest Lecture. IT enabled health care. Perspective from an emerging economy. Center for Process Innovation & Department of Computer Information System, Robinson College of Business Georgia State University, Atlanta USA Oct 7th 2011

88. Guest Lecture: The Potential of mHealth, Smart Practices in Hospital – IT at Conference on GSS Practices in Healthcare 2011 on 16th July 2011.

89. Guest lecture "Telemedicine in India; An Overview" at the Special Interest Group at the annual conference of the American Telemedicine Association Tampa Florida USA May 1st 2011. http://www.youtube.com/watch?v=BKndp1MhodU

90. Key Note Address: "mHealth: the Reinvention of Health Care: a perspective from India". World Congress of GSMA. Barcelona, Spain Feb 14th to 17th 2011 http://www.mobilehealthlive.org/videos/opportunities-and-challenges-for-mobile-health-in-india/1330/

91. Panelist Leadership health Summit – mHealth Session World Congress of GSMA. Feb 14th to 17th 2011. Barcelona, Spain

92. Key Note Address "eHealth initiatives in India" 2nd International Conference of eHealth Association of Pakistan. Islamabad Pakistan delivered thro Videoconference Jan 2011

93. Key Note Address. GSMA Mobile Asia Congress 2010 mHealth Part 1 - Key Challenges to Make mHealth a Mainstream Business Hong Kong Nov 18th 2010

94. Panelist. Supersession Panel on "Cross sectoral perspectives on MHealth" mHealth Summit. Washington DC USA 8th November 2010

95. Key Note address "Telemedicine & Medical Tourism" HIMSS Asia10 Health IT Congress Oct 26th to 29 Degu, South Korea

96. Key Note address mHealth & the Reinvention of Health Care : A Perspective from India mHealth World Congress 2010 Oct 18-19th Singapore

97. mHealth: Bridging the Health Divide. Keynote Address at the Geneva Health Forum 21st April 2010, Geneva, Switzerland

98. Growth and Development of Telehealth in India: An Overview 14-16 April 2010 Med e Tel Luxembourg

99. mHealth: Bridging the Health Divide. An Overview 14-16 April 2010 Med e Tel Luxembourg

100. Invited Guest lecture "Robotic Radiosurgery in an emerging economy: A preliminary report. Report". "Ethical issues in Neurosurgical practice of the future". The Second Congress of Gulf Neurosurgical Society 15 – 16th December 2009 Muscat, Sultanate of Oman.

101. Invited Guest lecture Penang, Malaysia Dec 13th 2009 Penang Adventist Hospital Annual Scientific conference (PAHANSCICON 2009), Penang, Malaysia. Lecture on "Update on emergencies in neurosurgical practice "

102. Invited Guest lecture in session on Telemedicine at "Emerging Markets Symposium", University of Oxford, UK December 4-6th 2009

103. Invited Guest lecture in session on Telemedicine in "India: Medical Tourism Destination 2009" Toronto, Canada, Nov 20th to 22nd and Panelist in panel Discussion http://www.imtd2009.com/ProfGanapathy.html

104. Tele lectures given to African countries thro Pan African e Network:
    a. Infections of the Brain
    b. Stereotactic radiosurgery
    c. Management of Head Injuries
    d. Management of Brain tumours
    e. Recognising the Dangerous Headache
    f. Neurologic Examination

105. Invited Guest lecture on "Telemedicine in India: The Apollo Story" Dept of Information and Health Management, University of Pittsburgh, USA June 12th 2009

106. Invited speaker at Wireless-Life Sciences Alliance Convergence Summit May 13-14, 2009, La Jolla California: mHealth in India: An Overview San Deigo USA

107. Invited speaker at sixth meeting of the steering committee on the PAN African eNetwork project, 07 – 08 may 2009 Addis Ababa, Ethiopia

108. Invited Guest lecture on Telemedicine in India: An Overview at University of Alabama, Birmingham USA may 1st 2009

109. Paper presented at American Telemedicine Association Annual conference on 28th April 2009 at Las Vegas USA "Rural Health in India using 3G HSPA" Aditi Ravindra and K. Ganapathy

110. Invited speaker at International Summit meeting of the American Telemedicine Association. Regional Overview of Telemedicine Activities – India and Southeast Asia 26th April 2009 Las Vegas USA

111. Keynote speaker in the workshop "e-health in low resource settings: The path to sustainability" organized by Karolinska University Hospital, in collaboration with Karolinska Institute, Norwegian Center for Telemedicine and SPIDER Center March 30-31st Stockholm, Sweden

112. First Educational Course of International Society of Reconstructive Neurosurgery (ISRN), World Federation for Neuro Rehabilitation (WFNR), Asian Congress of Neurological Surgeons (ACNS), Academy for Multidisciplinary Neurotraumatology (AMN) and QOLIBRI Society Jakarta, Indonesia Oct 23-27th 2008 . Invited Guest Lectures:
    a. Robotic Radiosurgery
    b. Ethical issues in Neurosurgical practice of the future
    c. Brain death – A neurosurgeon's perspective
    d. Telemedicine and Neurosciences

113. Panelist at mobile health conference - Institute for the Future, San Francisco, California. Oct 14 - 15 2008

114. http://www.hosit07.se/extra/news/?module_instance=1&id=102   Invited guest lecture thro Video teleconferencing "Telehealth in the Indian Setting: The Apollo experience" HOSIT IX Münchenbryggeriet, Stockholm, Sweden, October 8-9

115. Commissioned paper: M Health: A potential tool for Health Care Delivery in India. presented at the M health session in "Making the ehealth connection: global partnerships, global solutions organised by the United Nations Organization, Rockefeller Foundation Bellagio Italy July 27- August 1st 2008

116. Invited Guest Lecture: "Neurosurgery in India: Past Present and Future". International Neurosurgical forum, Kyushu Japan 23rd Nov 2007

117. Chairman Luncheon Seminar on Gamma Knife 21st November Nagoya Japan - World Federation of Neurosurgical Societies 13th Interim Meeting/The 12th Asian-Australasian Society of Neurological Surgeons Congress

118. Invited Guest Lecture: Stereotactic Radiosurgery for Cavernous Sinus lesions Seminar on Gamma Knife 21st November Nagoya Japan - World Federation of Neurosurgical Societies 13th Interim Meeting/ The 12th Asian-Australasian Society of Neurological Surgeons Congress

119. Invited Guest Lecture: Stereotactic Radiosurgery for Cerebral Arterio Venous malformations. Seminar on Radiosurgery 20th November Nagoya Japan - World Federation of Neurosurgical Societies 13th Interim Meeting/ The 12th Asian-Australasian Society of Neurological Surgeons Congress

120. Invited Guest Lecture: "Telehealth in India" Digital Inclusion Forum 07,16th & 17th August 2007, Kuala Lumpur, Malaysia

121. Ganapathy. Security in Health Systems. Talk given at the Third Indo-Australian Conference on Information Technology Security (IACITS) 2007, Queensland University of Technology, 9th & 10th July 2007, Brisbane, Australia http://conf.isi.qut.edu.au/iacits07/Booklet.pdf

122. Invited Guest Lecture: Telemedicine perspectives from India: HIMMSS Asia Pacific annual conference May 17th 2007 Singapore

123. "Telemedicine – The Apollo experience" 11th International Conference of the International Society for Telemedicine and e Health April 18th 2007 Luxembourg

124. Invited key note address "Telehealth in India: An Overview" Opening Session 11th International Conference of the International Society for Telemedicine and e Health April 18th 2007 Luxembourg

125. Invited Guest Lecture on "Linac Radiosurgery for Cerebral AVM" - Malaysian Neurosurgical Association, Kuala Lumpur, Malaysia

126. Invited Guest lecture: "Telemedicine – The Apollo Story" at Government technology Summit 07 at Phuket, Thailand. 24- 26 October 2007

127. Invited Guest Lecture on "Training in Neurosciences- A Paradigm Shift- Universiti Sains Malaysia, Kota Bharu, 13th November 2006.

128. Invited Guest Lecture on "Telehealth in India" Annual conference of American Association of Physicians of Indian Origin – Phoenix, Arizona USA Sep 23rd 2006

129. Invited Guest Lecture on "Management of Head injuries". University of Arizona, Tuscon USA 20th September 2006

130. Lecture on "Telehealth in India- the emerging scene": MITAC (a NASA center at University of Virginia, Richmond Virginia USA 8th September 2006

131. Lecture on "Telehealth in India- the emerging scene". Johns Hopkins University, Baltimore USA: 6th September 2006

132. Lecture – "Linac Stereotactic Radiosurgery for Cerebral Arteriovenous Malformations" in Grand Rounds, Wayne State University Detroit USA 29th August 2006

133. Invited Guest Lecture "The Future of Telemedicine" Lagoon Hospitals, Lagos, Nigeria June 17th 2006

134. Invited Guest Lecture "Social, Legal and Ethical issues" – 1st Pan African Conference on eHealth and Telemedicine Abuja Nigeria June 19th – 20th 2006

135. Invited Guest Lecture "Telemedicine in India and its relevance to Africa" – 1st Pan African Conference on eHealth and Telemedicine Abuja Nigeria June 19th – 20th 2006

136. Invited Guest Lecture- "Telehealth in Clinical Practice", Ibadan University, Nigeria, 16th June 2006.

137. Invited Guest Lecture- "Linac based Stereotactic Radiosurgery", Ibadan University, Nigeria, 16th June 2006

138. Noninvasive management of brain tumours and cerebral arteriovenous malformations. Invited guest lecture Govt. General Hospital, Kandy Sri Lanka. 13th July 2005

139. Telemedicine in neurosciences" Invited guest lecture at main session: June 24th 2005 13th World Congress of neurological Surgery, Marrakech, Morocco.

140. "Stereotactic Irradiation of brain tumours" Invited guest lecture at breakfast session: June 21st 2005 13th World Congress of neurological Surgery, Marrakech, Morocco

141. Linac Stereotactic Radiosurgery for cerebral arteriovenous malformations. A review of 250 cases from Chennai India. 13th World Congress of neurological Surgery, Marrakesh, Morocco

142. Telemedicine in Neurosciences, Linac based Stereotactic Radiosurgery for cerebral arterio venous malformations. An analysis of 240 cases. Guest lectures at the 23th Spring annual Meeting of the Korean Neurosurgical Society held in Cheju Island, South Korea on Apr 14-16, 2005.

143. Linac Stereotactic radiosurgery for cerebral arteriovenous malformations – paper presented thro video teleconference at the 6th International Congress on Minimally invasive Neuro Surgery, Nagoya, Japan March 8th 2005

144. Honoured guest lecture "Stereotactic Radiosurgery for Cerebral Arteriovenous Malformations" at 5th conference of the Asian Society of Stereotactic, Functional and Computer Assisted Neurosurgery" at Taipei, Taiwan 28th November 2004

145. Lectures on (1) Medical Accountability in the Information Age (2) Stereotactic Radiosurgery for Arteriovenous Malformations at Fifth Asian Conference of Neurosurgeons Jakarta, Indonesia January 2004

146. 29th annual meeting of Japanese Cerebrovascular Disease Society Nagoya Japan 18th March 2004 Live multi point interactive video teleconference - Lectures by Drs. Yasargil and Spetzler Convenor India K. Ganapathy.

147. Faculty member World Federation of Neurosurgical Societies Post Graduate Course at Dhaka Bangladesh Feb 4th to 6th 2003. Invited lectures on "Stereotactic Radiosurgery for Arteriovenous Malformations" and "Telemedicine and Neurosciences"

148. Invited Guest Lecture International Conference on Recent Advances in Neurotraumatology (ICRAN 2002), August 1-4, 2002 at Discovery Kartika Plaza Hotel, Bali, Indonesia on Prevention and Management of Head Injuries in India – an Overview

149. Prevention and Management of Head Injuries in India – an Overview – ICRAN, Bali Indonesia August 1-4, 2002

150. Invited faculty First Balkan Seminar on Telemedicine October 25 – 27 2002 Pristina, Kosovo. Lectures on "Telemedicine in India - An Overview" and "Telemedicine and Neurosciences"

151. Only neurosurgeon to be invited to deliver a keynote address "Neurosciences in 2020 - a peep into the future" at the Pan Asian Oceanian Congress of Neurology at Manilla, Philippines 2002

152. Invited speaker intercontinental tele-staff neuro-surgery /trauma – emergency medicine & disaster management Tunisia – Chennai –Geneva – Paris March 27th 2002 International Discussant for a case presentation in Neurosurgery from Tunisia March 27th 2002

153. Invited guest lecture on Telemedicine and Neurosciences at the Asian Congress of Neurosurgeons Biannual conference at Hong Kong November 2002

154. Organising secretary First Neurosurgical Video Teleconference with Fujita Health University, Nagoya, Japan held on Tuesday, 7th August 2001.

155. The Emirates Neuroscience Conference on April 10th – 14th 2001 at Al Bustan Rotana Hotel, Dubai. Papers presented on Stereotactic Radiosurgery for Cerebral Arteriovenous Malformations & Neurosciences in 2010 – A peep into the future.

156. Lecture on Telemedicine at the Royal Army Hospital Jordan October 2000

157. Presentations on telemedicine to the Minister for Health Bangladesh at Dhaka Feb 2001

158. Invited guest speaker (only one from Asia) , "Telemedicine in India" at the First International conference on Arab Telemedicine January 2001 Cairo

159. Invite only participant from Asia to take part in the 6th World Telemedicine Conference held at Upsaala, Sweden on 19th June 2001. Guest Lecture on "An Overview of Telemedicine" was delivered through video teleconferencing from Madras.

160. Convener of the 1st Video Teleconferencing joint conference of Department of Neurosurgery, Apollo Hospitals with Department of Neurosurgery, Fujita Health University, Nagoya, Japan. August 7th 2001

161. Linac based SRS for 135 cases of AVM. Paper presented at the 12th WFNS Conference, Sydney Australia in September 2001.

162. Member high power Govt. of India / Federation of Indian Chamber of Commerce and Industries delegation to visit Baghdad (Only medical doctor) to discuss setting up of Telemedicine in the reconstruction of Iraq

163. Stereotactic radiosurgery for cerebral arteriovenous malformations. The first 100 cases. Paper presented at the X Asian Australasian Association of Neurosurgeons meeting Nov 1999 Seoul, South Korea

164. Stereotactic radiosurgery for space occupying lesions. Paper presented at the X Asian Australasian Association of Neurosurgeons meeting November 1999 Seoul, South Korea

165. Stereotactic radiosurgery for cerebral arteriovenous malformations. Paper presented at the X Asian Australasian Association of Neurosurgeons meeting November 1999 Seoul, South Korea

166. Stereotactic Radiosurgery for cerebral arteriovenous malformations. The first 100 cases. Paper presented at Khoula Hospital, Muscat November 1999

167. Stereotactic Radiosurgery for space occupying lesions. Paper presented at Khoula Hospital, Muscat November 1999

168. Stereotactic radiosurgery for cerebral Arteriovenous Malformations. The first 100 cases. Paper presented at Dubai November 1999

169. Stereotactic radiosurgery for space occupying lesions. Paper presented at Dubai November 1999

170. Invited Speaker at National Head Injury Conference at Muscat, Sultanate of Oman. – Special lecture on clinical spectrum of head trauma.1999

171. Neurosurgery in the third millennium paper presented at the 12th annual conference of the Pakistan Society of Neurosurgeons, Pakistan Nov 1999

172. Invited guest speaker "Emerging trends in Stereotactic Radiosurgery for Acoustic Schwannoma" at the 4th Annual meeting of the Japanese Congress for Brain Tumour surgery September 17th and 18th 1999, Nagoya, Japan.

173. Stereotactic Radiosurgery in a developing country. Paper presented at the III Congress of the Asian Society of Stereotactic, functional and Computer assisted Neurosurgery at Seoul, Korea June 13 to 16th 1999

174. Delivered Guest Lecture on "Stereotactic Radiosurgery" at Colombo Sri Lanka under the auspices of the Ceylon Medical Association

175. Invited guest speaker "Stereotactic Radiosurgery for Arterio venous Malformations" First South Asian Congress of Neurosurgery – Kathmandu Nepal, March 13th to15th

176. Janos Stumpf, TK Padmanabhan, V Sankaranarayanan, S. Lakshmi, and PS Viswanathan: Linac Based Stereotactic Irradiation. Tenth National Conference Pakistan Society of Neurosurgeons. December 1997 Karachi, Pakistan.

177. Proceedings of the 4th Congress of the International Stereotactic Radiosurgery Society. Sydney Australia 1999 p. 229

178. J Stumpf, TK Padmanabhan, Ganapathy K et al: Linac based stereotactic radiosurgery and radiotherapy - a 20 months experience. Proceedings of the 3rd Congress of the International Stereotactic Radiosurgery Society. Madrid Spain 1997 p. 229

179. Janos Stumpf, TK Padmanabhan: Linac based stereotactic irradiation in a developing country. Paper presented at the 3rd Congress of the International Stereotactic Radiosurgery Society. Madrid Spain June 25-28 1997

180. Image fusion in stereotactic radiosurgery follow up and Stereotactic radiosurgery in a developing country. Lectures delivered at the Fujita Health University, Nagoya, Japan November 1996

181. Stereotactic radiosurgery in a developing country. Paper presented at the II meeting of the Asian Society of Stereotactic, functional and Computer assisted neurosurgery at Karuisawa, Japan 6th November 1996.

182. Image fusion in stereotactic radiosurgery follow up. Paper presented at the II meeting of the Asian Society of Stereotactic, functional and Computer assisted neurosurgery at Karuisawa, Japan 6th November 1996.

183. Represented India at the 2nd Seminar of Neurosurgery Update for Young Neurosurgeons in Asia held in Sapporo Japan December 1 -5 1995

184. "MRI in Head Trauma" - paper presented at the X International Congress of Neurological Surgery, Acapulco, Mexico, 1993

185. "CT morphology of Brain Tuberculoma" - paper presented at the X International Congress of Neurological Surgery, Acapulco, Mexico, 1993

186. "Exotic diseases of the brain" - Lecture delivered at the Dept. of Neurosurgery, University of Medicine and Dentistry, New Jersey, U.S.A.1993

187. Mathematical prediction of nature of ICSOL'S using serial contrast CT scans. Paper presented at the Eighth Asian Australasian Congress of Neurological Surgery - Seoul, Korea, Oct 6-11, 1991.

188. Visiting Neurosurgeon, Dept. of Neurosurgery, Chulalongkorn University, Bangkok - Oct 1991.

189. Ethical issues in Neurosurgery in Developing Countries. Paper presented at the Eighth Asian Australasian Congress of Neurological Surgery - Seoul, Korea, Oct 6-11, 1991.

190. Lecture on Brain Tuberculoma delivered at:
    a. Dept. of Radiology, New York University July 1985
    b. Dept. of Neurosurgery, University of Pittsburgh July 1985
    c. Dept. of Neurosurgery, University of Chicago July 1985

191. Paper presented at the Joint Conference of the Nepali Medical association and the Neurological Society of India at Kathmandu, Nepal, December 1985. Title "Ultrasound in Neurological Sciences"

192. Paper presented at the 8th International Congress of Neurosurgery at Toronto, Canada, July 1985 - Spectrum of CT scan findings in Brain Tuberculoma

193. Invited guest speaker "Stereotactic Radiosurgery for arterio venous malformations" First south Asian Congress of Neurosurgery – Kathmandu Nepal March 13th to15th.

194. Organising Secretary, First Neurosurgical Video Teleconference with Dept of Neurosurgery, UDMNJ New Jersey & Department of Neurosurgery, Apollo Hospitals, Chennai 2001

195. International guest faculty World Federation of Neurosurgical Societies Riyadh Feb 21 – 23 2004. (1) Lecture on Medical Accountability in the Information Age (2) MRI and Head Injuries

196. Stereotactic radiosurgery for space occupying lesions. Paper presented at the X Asian Australasian Association of Neurosurgeons meeting November 1999

197. Stereotactic radiosurgery for cerebral arteriovenous malformations. Paper presented at the X Asian Australasian Association of Neurosurgeons meeting November 1999

198. Janos Stumpf, TK Padmanabhan, V Sankaranarayanan, S. Lakshmi, and PS Viswanathan: Linac Based Stereotactic Irradiation. Tenth National Conference Pakistan Society of Neurosurgeons - December 1997 Karachi.

199. Lecture delivered at the Salmaniya Medical College Bahrain on Stereotactic Radiosurgery - June 23rd 1997.

200. Image fusion in stereotactic radiosurgery follow up. Paper presented at the II meeting of the Asian Society of Stereotactic, functional and Computer assisted neurosurgery at Karuisawa, Japan 6th November 1996.

201. Invited paper at the 7th Asian Australasian Conference of Neurological Surgery - Brisbane October 4-9 1987 on postoperative ultrasound imaging in adults.

202. Lectures delivered at the Australian National University Canberra, SEP to OCT 1987 (1) Tuberculoma brain. (2) Head injuries in India (3) Ultrasound imaging in Neurological Sciences

203. Lectures delivered at New York State University and University of Pittsburgh on "Tuberculoma Brain" August 1985.

FACULTY / TEACHING EXPERIENCE

1. 15 years (1980 to 1995) M Ch, MS, MBBS, DM and MD

2. 21 years DNB Neurosurgery from 1996 till 2015

3. Founder/ Course Director Telehealth Technology Course (First of its kind in India) with Anna University ran 5 courses training about 150 students from 2005 to 2008

4. Faculty for post graduate diploma in special education from 1993 to 2008 Spastic Society of India (Vidyasagar)

5. Hon Faculty MHA / MBA / M.Phil. Apollo Institute of Health & Management Sciences

6. Faculty, Fellowship in Emergency Medicine Royal College of Surgeons Edinburgh

7. Faculty- Course for senior officers – Defense College of Management Hyderabad from 2003 onwards

8. Guest faculty Reserve Bank of India – Health programme for senior officers since 2001

9. Invited participant and faculty member at the workshop on "Computers and biology" held at the Indian Institute of Technology, Kanpur Feb 13th to 15th 1997

10. Int'l Faculty, Global MBA Program, London School of Economics 2010, 2011, 2012, 2013

11. Guest faculty Programme for Transplant Coordinators – MOHAN Foundation

DISSERTATIONS SUPERVISED

1. Eman Rahman, Candidate, M.Sc. Health and International Development
   Department of International Development, London School of Economics

239. **64th annual conference of Neurological Society of India Dec 12- 15th 2014 Coimbatore Special lecture Telemedicine in Neurosciences http://nsicon2014.com/site/#**

240. Convenor Symposium on "Telehealth Practice - Regulatory Guidelines around the Globe". Special lecture on "Regulatory Issues in Telehealth: An Overview" at the 10th International Conference on Telemedicine of the Telemedicine Society of India 07-09 Nov 2014, Bhopal
http://www.telemedicon14.com/programme.html

241. Invited talk "Role of Corporate sector in Telemedicine at the 10th International Conference on Telemedicine of the Telemedicine Society of India 07-09 Nov 2014, Bhopal http://www.telemedicon14.com/programme.html

242. Healthcare Instrumentation: Present and Future. Clinical and Technology Perspective. Talk on "Bridging the Healthcare – Technology Divide National Symposium at the National Hub on Health Care Instrumentation" Anna University Chennai Nov 1st 2014

243. Dr. Ghosh Charitable Trust Prevention of Head Trauma Lecture @ Dept of Mathematics , Anna University 12th October 2014

244. **"Concluding Remarks: A Clinician's perspective". International Conference on Transforming healthcare with ICT 2014 http://www.transformhealth-it.org/ Hyderabad India Sep 2014**

245. **The Impact of Tele-Medicine and ICT on choice of Medical Specialities. Invited Guest lecture at 12th edition of Medicall Chennai Aug 1st 2014 http://medicall.in/medicall/index.php**

246. **Key note address on "Digital Medicine: Healthcare of the future" @ Symposium on Digital Medicine Pt. J.N.M. Medical College, Raipur, Chhattisgarh 25th July 2014 http://www.ptjnmcraipur.in/pdf2014/Symposium_workshop_Schedule%202014.pdf**

247. Guest of Honour Address Induction Ceremony of Medical and Dental Students admitted to Saveetha Medical College & Saveetha Dental College 2014 2nd July 2014, Chennai

248. **Key note address 2nd Annual Healthcare IT India summit June 19th Bangalore – "Telehealth: The Emerging Scenario"**

249. 4th International Neurosurgery Update June 6th to 8th 2014 Mumbai. Invited lecture on "Neurosurgery in 2020: Looking beyond technology and Surgical Expertise"

250. Australian Road Safety Showcase 2014 17th March 2014 Chennai Prevention of Head Trauma Inaugural Function

251. Australian Road Safety Showcase 2014 18th March 2014 Chennai interview at 104.8 FM Radio One Showcase 2014 18th March 2014 Chennai

252. Prevention of Head Trauma Lecture @ Stella Maris Women's College

253. Australian Road Safety Showcase 2014 19th March 2014 Chennai

254. Prevention of Head Trauma Lecture @ SBOA Matriculation School

255. Australian Road Safety Showcase 2014 19th March 2014 Chennai

256. Demonstration @ Emergency Ward Apollo Main hospital

257. Dr. Ghosh Charitable Trust Prevention of Head Trauma Lecture @ SIET Women's College 22nd March 2014

258. **65th Annual Conference of Indian Medical Association, Odisha State Branch (IMACON-2014) Application of Telemedicine in Health Care Tele lecture thro VC Feb 16th 2014 @ Baripada**

259. **Telemedicine Society of India National Workshop-Seminar on Telemedicine (Awareness, Education, Application & Skill Development) SGPGIMS, Lucknow, 15th February 2014. Invited lecture on M to M: The Internet of Things. what it means to Healthcare of the future**

260. **http://nrct.in/workshopeast Resource Speaker Regional Workshop on Establishment of National Medical College Telemedicine Network Ministry of Health & Family Welfare, Govt. of India 14th February, 2014 "Telemedicine Programmes undertaken by Corporate Hospitals in India"**

261. Lead discussant and panel moderator "The m2m Infrastructure Readiness- Future directions of technology improvements and network architecture evolution" India M to M forum 2014 New Delhi February 2014

262. February 12th 2014 "Bangalore Telehealth: The Reinvention of Healthcare" in session on Digital Health Fueling a Revolution in Healthcare at Bangalore India Bio 2014 Conference

263. "Telehealth: The reinvention of Healthcare". Invited Guest lecture in Horizon 2014 Updates and Recent trends in healthcare. Father Muller Medical college & Hospital Mangalore Jan 18th 2014

264. Brain Storming Session on Implementation of "Central Asia e-Network" New Delhi on Jan 10, 2014 CDAC on behalf of Ministry of External Affairs Govt of India. Invited participant

265. Invited lecture "Telehealth in NCD's – How it can make a difference". IV Annual Conference of GAPIO (Global Association of Physicians of Indian Origin) Kolkata 11th & 12th January 2014

266. Invited Guest lecture: Cost effective and Accessible Health care Technologies Conference on "Affordable and Sustainable Technologies" 20th December 2013, Chennai CII Tamilnadu chapter.

267. "Will mHealth be accepted in India? Results of a Pan India Health Survey" Paper presented by Prof. K. Ganapathy of ATNF, Chennai and Prof. Arun Rai, Liwei Chen & Jessica Pye of Georgia State University, Atlanta-USA at 09th International Telemedicine Conference held on 29th November 2013 at Jaipur by Telemedicine Society of India.

268. "CSCs: Delivering Healthcare to Rural India" Nov 13, 2013 New Delhi Invited guest lecture.

269. Invited lecture on "mHealth: the reinvention of Health Care" thro Video conferencing C-DAC Mohali Indian Technical and Economic Cooperation (ITEC)/ Special Commonwealth Assistance for Africa Programme (SCAAP) Course "Advance Course in Telemedicine and Medical Informatics" 12th Nov, 2013

270. Forum 2013 Regional Conference of Sundaram Medical Foundation Chennai. Can the mind go where the body cannot? 20th October 2013 Chennai

271. Patient Empowerment – The eWay: A Story from Rural Tamil Nadu, K. Ganapathy, S. Rajkumar & S. Jegan. The 4th International Conference on Transforming Healthcare with Information Technology 6 – 7 September 2013, Hyderabad

272. "Sustainable Quality Healthcare" FICCI Heal 2013 September 2-3, 2013 New Delhi. Invited Panelist Transforming Healthcare through Information Technology

273. P Rr Thakor Oration "Healthcare in 2025: A peep into the future", Ahmedabad Medical Association Ahmedabad July 28th 2013

274. Invited guest lecture "Telehealth & Technology: An Overview" at Xerox Research Centre Bengaluru July 8th 2013

275. Panelist Health Care Summit 2013 May 31st New Delhi organised by Network 18 CNN IBN

276. Tele Health Education: Extending one's reach. The Apollo Story. Lecture thro Video conferencing National Seminar on Telemedicine organised by Telemedicine Society of India 23rd March 2013, School of Telemedicine & Biomedical Informatics, SGPGIMS, Lucknow

277. Invited faculty "mLearning: The future is now". National Workshop for Sensitization & Awareness on National Medical College Network Project Ministry of Health & Family Welfare, Govt. of India 21-22 MARCH 2013, School of Telemedicine & Biomedical Informatics, SGPGIMS, Lucknow. http://www.nrct.in/nmcnworkshop.php

278. **Video lecture on Telehealth for overseas participants in Indian Technical and Economic Cooperation (ITEC)/ Special Commonwealth Assistance for Africa Programme(SCAAP) Courses Feb 27th 2013 Mohali Chandigarh**

279. **Indian Medical Association Alwaye Kerala 13th Jan 2013. Health Care to anyone , anytime anywhere**

280. Breakfast Symposium on Vascular Diseases: "Should Cerebral AVM'S be treated: Why? Where? How?" 64th Annual conference of Neurological Society of India Dec 20th 2012

281. **Health care from your pocket Fact or Fiction. Guest Lecture National Conference of Telemedicine Society of India Nov 29 to Dec 1st 2012 Coimbatore**

282. **Special Commonwealth Assistance for Africa programme CDAC Mohali. Lecture thro VC for 26 participants from 17 countries 27th November 2012**

283. Neurosurgery in 2020: Looking beyond Technology and Surgical Expertise. WFNS Educational Course Bhubaneshwar Nov 9-10 2012

284. Recent trends in ehealth and mHealth a CSIR National workshop Prathyusha Institute of Technology and Management Chennai Nov 1st 2012

285. Invited talk in session on "Innovative Technologies for Rural Development" at the 8th Convention of Grameen Gyan Abhiyan organized by the National Alliance for Bridging the Urban-Rural Digital Divide
M. S. Swaminathan Research Foundation, Chennai 29th October 2012
http://mission2007.in/Agenda_GGAConvention.html

286. Invited Lecture "History of Surgery for Epilepsy and Movement Disorders" 1st workshop of Indian society of stereotactic and functional neurosurgery. Mumbai Oct 13th -14th 2012

287. **Invited Speaker: National Users Meeting ISRO Telemedicine Sep 26th 2012, Ahmedabad**

288. **Invited Lecture on "Telemedicine" for US University students under International Honours program Chennai Oct 25th 2012**

289. **CSIR sponsored National workshop Mobile Application Development for mHealth Inaugural Address http://www.drmgrdu.ac.in/Events/Pre/CSE/Sept12/MobileApp.htm at Chennai on 17th September 2012**

290. **Invited Guest Lecture: "A Hospital in your pocket in 2015: A peep into the future" 3rd National Conference of Indian Society of Tele dermatology 8thSeptember 2012, Chennai**

291. "mHealth: A peep into the future". 3rd International Conference on Transforming Healthcare with ICT Hyderabad Aug 31st Sep 1st 2012

292. Meeting Programme Advisory Committees (PACs) in Health Sciences under Science & Engineering Research Board (SERB). Dept of Science and Technology Govt of India Aug 30th 2012 New Delhi

293. Invited guest lecture "Telehealth: An innovation in Health care" Workshop in association with Karnataka Government at Bangalore, 28th August, 2012 to showcase innovative practices in Health Sector

294. **Health Applications using the National Knowledge Network Video lecture from Thiruvananthapuram to delegates in Chennai at National Workshop on NKN July 24th 2012**

295. **Invited guest lecture "Telehealth: An innovation in Health care "Workshop on Innovations in Health Care" at the Institute of Management Thiruvananthapuram, Kerala in collaboration with Govt. of Kerala 24th July, 2012**

402. **Panelist- Session on Emergency Medical Services- Joint meeting of American Association of Physicians of India Origin & Apollo Hospitals, Chennai, 30th December 2006.**

403. Linac Radiosurgery for Cerebral AVM- Presidential Address- 55th Annual Conference of the Neurological Society of India, 21st December 2006, Madurai, India

404. Invited Guest Lecture on "Training in Neurosciences- A Paradigm Shift": CME Program, 55th Annual Conference of the Neurological Society of India, 20th December 2006, Madurai, India

405. Invited Guest Lecture on "Role of Telemedicine & Telecare in the Management of Cerebral Palsy" presented at the National Conference of Indian Association for Cerebral Palsy, 26th November 2006, Hyderabad.

406. Invited Guest Tele- Lecture on "Telemedicine in Trauma", Saturday, 25th November at National Conference on Medical Informatics- MediTel, Kochi, India.

407. Invited Guest Lecture on "Telemedicine in Critical Care" presented at National Update on Critical Care 6th November 2006, Patna. India

408. Guest lecture – "Rural Telemedicine in India – the Aragonda Story" 2nd National Conference of Telemedicine Society of India 21st August 2006 New Delhi

409. **Clinical Validation of Low-Cost Telemedicine Equipment- A Preliminary Report. Rajeev Kumar, Sameer S. Sawarkar, Aditi Ravindra, Kevin Devasia, Sivaprakasam S, Ganapathy K. 2nd National Conference of Telemedicine Society of India, 17- 22 August 2006, New Delhi.**

410. **Initial experience with VSAT enabled Mobile Telemedicine. Rohini Sridhar, Subramanian S, Rajan Desai, Padmavathy V K, Sathyamurthy L S, Ganapathy K. 2nd National Conference of Telemedicine Society of India, 17- 22 August 2006, New Delhi.**

411. **Sexual Medicine and Telemedicine- The Apollo Experience. Aditi Ravindra, Narayana Reddy, K Ganapathy. 2nd National Conference of Telemedicine Society of India, 17- 22 August 2006, New Delhi.**

412. Tele CME lecture on "Recognizing the Dangerous Headache" to JJDS Civil Hospital Jorhat, Assam 12th August 2006 thro ISRO network

413. Chief Guest Address- "Rehabilitation: An Outsider's Perspective", on the occasion of inauguration of the 1st Inpatient Rehabilitation Unit in Chennai. 14th May 2006.

414. Invited Guest Lecture, "Information Technology in Healthcare", National Conference on "Information Technology and Its Applications, Bharat Vidyapeeth College of Engineering, New Delhi, 13th April 2006.

415. Invited Guest Lecture, "Safety in traveling to work and back", at The Hindu, 8th April 2006. Chennai

416. **Chief Guest Address, 10th Anniversary-Indore Neuro Club, 19th March 2006, lectures on: (1) Telemedicine in Neurosciences (2) Stereotactic Radiosurgery- a 11-year overview**

417. **Chief Guest Address, National Symposium on "Instronics 2006" RMK Engineering College, Chennai, 6th March 2006.**

418. Invited Guest Lecture, "Telehealth in Clinical Practice" & Live Demo "Management of Head Injuries" Apollo KH Hospital, Ranipet, Chennai 19th Feb 2006.

419. **Invited Guest Lecture, "Telehealth in the Indian Context- An overview" & Live Demo, FORUM, 26th February 2006.Chennai**

420. Chief Guest Address- Workshop on Ergonomics in Healthcare held at Chennai on 15th February 2006, Chennai Division, Southern Railway.

421. **Invited Guest Lecture, "Telehealth in India and experiences of Apollo Hospital" Workshop on the occasion of the inauguration of the Rajasthan Telemedicine Programme 14th February 2006 Jaipur.**

422. **Invited Guest Lecture, "Telemedicine and Critical Care" 12th February 2006, 12th Annual Conference of the Critical Care Society of India Chennai India.**

423. **Invited Guest Lecture, "Business Aspects of Telemedicine" Regional workshop on "Emerging Opportunities in Healthcare Sector" organized by ITCOT 30th January, 2006. Chennai**

424. The neurosurgical patient- a teacher par excellence- A 30-year review- 6th Asian Conference of Neurological Surgeons, 26th – 29th January 2006, Mumbai.

425. **Invited guest Lecture "Health Care Management using Telehealth": National Conference on Geomatics for Infrastructure Development. Jan 4-6 2006. Chennai**

426. Panelist , Session on Dural AVM International Update on Neurointervention 3rd December 2005, Chennai

427. World Federation of Neurosurgical Societies 1950 – 2005: A historical review Paper presented at the 55th annual conference of the Neurological Society of India Dec 2005 Visakhapatnam

428. Invited Guest Lecture "Head Injuries in Sports" National Congress on Sports Medicine November 12th 2005. New Delhi

429. Invited Guest Lecture- "Stereotactic Radiosurgery- An Overview" "Medical Sciences in 2010- Peep into the future", Neurosurgical CME Program, KG Hospital Coimbatore. October 2005

430. **Telehealth- An Overview Keynote Address at the inauguration of KG- Apollo Telemedicine Unit at K.G Hospital, Coimbatore. October 2005**

431. Indian Medical Association Vaniyambadi Branch, Tele lecture on "Medical Sciences in 2010- Peep into the future" 19th Sep 2005, from Chennai

432. "Stereotactic radiosurgery- An overview" Keynote address Annual conference of the Neuroscientists Association of Andhra Pradesh Vijayawada. 10th July 2005

433. Extra mural invited guest lecture Indian Institute of Technology, Chennai 30th march 2005 "Medical Sciences in 2010 – a peep into the future".

434. **Attitudes of 1000 families in two villages in Tamilnadu, towards using Wireless Internet kiosks for telehealthcare K. Ganapathy, Sasi Rekha, Varadarajan V: paper presented at the International Telemedicine Conference India – Bangalore March 17-19, 2005**

435. **eHealth bridging the gap: Invited lecture at the International Telemedicine Conference India– Bangalore March 17-19, 2005**

436. **"Social issues in Telemedicine" presented at the International Telemedicine Conference India – Bangalore March 17-19, 2005**

437. "Medical Sciences in 2010 – a peep into the future": Guest Lecture delivered at annual conference of Medical Electronics Anna University, Chennai 1st March 2005

438. Invited guest lecture on "Flagging the dangerous Headache" at national conference of "Forum 2005" 27th February 2005, Chennai

439. "Social, legal and Standardisation issues in telemedicine". Invited guest lecture at national conference of Healthcare World 25th February 2005 Mumbai.

440. Invited guest lecture on FM radio of Anna university under entrepreneurship development programme on telemedicine

441. Invited Guest Lecture- Head Injuries in Sports: Annual National Conference of the Sports Medicine Society of India January 2005 Chennai

442. Invited Guest Lecture "Telehealth as a fulcrum for Nation Development". 92nd Indian Science Congress, Ahmedabad, Jan 3 -7, 2005, Section of Information and Communication Science and Technology.

443. Invited Guest Lecture on "Telemedicine – social, legal and ethical issues in Indian context" at the international conference on Human Machine interfaces 2004 December 20th – 23rd 2004, Bangalore

444. Invited Guest Lecture on "Ethical issues in neurosurgical practice" Scientific programme on the occasion of the Inaugural function 53rd Annual Conference of Neurological Society of India, 19th December 2004. Indore

445. Monthly meeting of the Tamilnadu State branch of the Association of Radiation Oncologists of India – 18th Dec 2004 "A review of proposed study on Intratumoural chemotherapy". Chennai

446. "The Brain in health and Disease" lecture delivered Alumni meeting of Madras Christian College School Chennai 18th Nov 2004

447. Programme on meet your medical expert "The Brain in health and Disease" Tamilnadu Science and Technology Center Nov 25th 2004. Chennai

448. "Telemedicine: An overview". Tele lecture given on occasion of workshop on Telemedicine at Southern Railway Trivandrum Division 26th August 2004

449. 20th Annual Conference of Association of Radiologists of India, Tamilnadu Pondicherry chapter CME programme 27th August 2004 "Stereotactic Radiosurgery – an overview"

450. Lecture on "Recognising the Dangerous Headache", "Management of Seizures", "Telemedicine" Indian Medical Association. Tiruvannamalai. September 2004

451. "Telemedicine: An overview". Lecture delivered at Apollo Hospital, Pune 6th October 2004

452. "Telemedicine: Tomorrow's Medicine today" Annual conference of the Research Society of BJ Medical College & Sasoon General Hospitals, Pune 7th October 2004

453. Invited Guest Lecture "Tele-Early Detection and Early Intervention for Disabilities" Conference on Early Intervention in Mental Retardation December 9 -11, 2004 Chennai

454. Invited Guest Lecture "Medical Sciences in 2010 – a peep into the future" December 12th 2004. Annual conference of Physicians of Gujarat. Ahmedabad

455. Guest speaker "Telemedicine and its applications in critical care". Convenor of programme for Live demonstration of tele critical care (Jaipur- Chennai, Jaipur – New Delhi, Conference venue- Jaipur)

456. Lecture on Telemedicine to participants of College of Defence Management Oct 2003, Nov 2004 Chennai

457. National Neurology Update 2004 held at Kota Rajasthan 14th march 2004: Tele lecture from Chennai on "Brain death" followed by panel discussion on "Withdrawal of life support systems". Live multi point interactive video teleconference

458. Lecture on Telemedicine at Imphal, Manipur – organised by ISRO on the occasion of Telemedicine Users meet in North Eastern India 2004

459. Lecture on Telemedicine to participants of College of Defence Management Oct 2003, Nov 2004 Chennai

460. "Web resources in health sciences"- Guest lecture and panelist in regional workshop conducted by University of Madras for medical librarians in Tamilnadu. 17th April 2004 Chennai

461. Lecture "Inflight Emergency Medical Services" April 2003 Delhi (Civil Aviation Authorities)

462. Invited Guest lecture "Teleradiology" at the annual CME programme of the Tamilnadu Sate Chapter of The Indian Association of Radiology 2003 Chennai

463. Lecture – Demonstration on Telemedicine at Joint Conference of Confederation of Indian Industries and ATNF Chennai Nov 2003

464. Lecture – Demonstration on Telemedicine at Joint Conference of Confederation of Indian Industries and ATNF Tele lecture at Kochi Nov 2003

465. Lecture "Concept of telehealth through Engineering Colleges" Lecture given at Interactive symposium for Principals of Engineering Colleges April 2003

466. Invited Guest Lecture. Telemedicine in India – An Overview. Association of Physicians of India, Railway Chapter IXth Annual Conference 16th & 17th Nov 2002, Chennai

467. Live demonstration of telemedicine from Chennai to Engineering College of Anna university in Madurai to the President of India Dr. Abdul Kalam on December 14th 2002

468. Invited Guest Lecture – Media Lab Asia – Asian Regional Network Conference – Thursday, April 25, 2002 at New Delhi – Digital Village: Towards a Sustainable Future

469. CME in Neuro Ophthalmology Program – 27th October 2002 (1) Head Trauma – A Guide to Evaluation and Management (2) Stereotactic Radiosurgery

470. Conducted orientation course in Telemedicine for senior Army officers 5th July 2002.

471. Keynote address given at a symposium on "Death-A challenge to postmodern man". A philosophical enquiry, Sacred Heart Seminary, Chennai, September 13-14, 2002.

472. Lecture on Management of Head Injuries - video teleconference for senior army officers 5th July 2002 Chennai

473. 54th Annual Conference of Indian Radiological & Imaging Association (Tamilnadu & Pondicherry Chapter) 1st & 2nd December 2001 – "Tele-Radiology" – Dr. K. Ganapathy

474. 10th National Neurotrauma Conference – "Role of Neurosurgeons in Prevention of Neurotrauma and steps taken by NSI" –September 7th 2001 Chennai

475. Keynote address on "Stereotactic Radio Neurosurgery" – September 8th 2001 – Kovai Medical Center & Hospital, Coimbatore

476. Guest Lecture on "Neurosciences in 2010 A peep in to the future" delivered at the Indian Institute of Information Technology and Management, Thiruvananthapuram – 3rd June 2001

477. Practical Obstetrics and Gynecology Congress – July 27, 28, 29 2001 – Chennai, Cost Effective Practice in 21st Century India. – "Headaches: when to worry, how to help".

478. Indian Space Research Organisation, Development and Educational P71 Communication Unit, Ahmedabad – Workshop – "Needs Based Telemedicine Project for Gujarat" held on Sunday, January 28, 2001. Guest "Telemedicine – A Clinician perspective"

479. Delivered Guest Lecture on 'Computers in Neuro Sciences' at the first National Conference at Medical Informatics at Hyderabad

480. International Conference in Medical Informatics – November 24, 25th 2001 Hyderabad – Invited Guest Lecture:
a. Telemedicine in Action – The Apollo Experience
b. Computers in Clinical Practice – A Peep into the Future

c. Panel discussant – Medical Informatics Course – A Clinician's perspective

481. Telemedicine and Neurosciences- A Historical Perspective of the Global & Indian Scenario. Ganapathy K, Thiruvengadam J, Kishore Reddy & Vilvanathan S – Mumbai. Paper presented at the 50th Annual Conference of the Neurological Society of India. 2001

482. Clavicular Metastases from Malignant Trigeminal Schwannoma - Ganapathy K, Subramaniam K, and Mitra Ghosh S – Mumbai – Paper presented at the 50th Annual Conference of the Neurological Society of India. 2001

483. Rosai Dorfman disease- A differential diagnosis of dural based tumors. Krishna Sharma, Kalyanaraman S, Mitra Ghosh, Ganapathy K, Reginald J – Mumbai. Paper presented at the 50th Annual Conference of the Neurological Society of India 2001

484. Extracranial Metastases from Oligodendroglioma- Subramanian K, Ganapathy K, Kalyanaraman S, Raja T and, Mitra Ghosh – Mumbai. Paper presented at the 50th Annual Conference of the Neurological Society of India

485. Invited to talk on Telemedicine at National Brain storming session held by Research Laboratories of Hewlett Packard, Bangalore March 2001

486. Lectures on Telemedicine at Ananthapur District Hospital, Port Blair Andaman and Nicobar Islands, Thiruvananthapuram, Bilaspur and several other hospitals in India.

487. Guest Lecture on Telemedicine delivered at the Indian Institute of Information Technology and Management, Thiruvananthapuram – 3rd June 2001.

488. Guest Lecture "Telemedicine in the care for the less than abled" National conference on Information Technology in enabling care for persons with disability, Chennai, June 26 2001.

489. Invited guest speaker at Second International Clinic of Neurological Surgery at New Delhi in September 2001. Lectures on
    a. Stereotactic Radiation for Recurrent gliomas and metastasis
    b. Stereotactic Radiation for malignant gliomas

490. Invited – Keynote address – Stereotactic Radiosurgery on the occasion of the Inauguration of Stereotactic surgery division of the Dept. of Neurosurgery – Kovai Medical Center, Coimbatore September 2001

491. Guest Lecture – Medical Sciences in 2020 - Madras Science city – 27th August 2001. Chennai

492. Invited guest lecture – Stereotactic Radiosurgery for malignant lesions – 5th National conference of Indian Society of Stereotactic & Functional Neurosurgery, Ahmedabad – October 24th 2001.

493. Guest Lecture – Computers in Clinical Practice – A Peep into the Future – IIITM, Thiruvananthapuram, October 2001

494. Designing of Medical Informatics Course Brain Storming Session - IIITM, Thiruvananthapuram, October 2001

495. Participant of Workshop on Needs-based Telemedicine Project for Gujarat – May 2001, Ahmedabad

496. Guest Lecture – CME Programme – Apollo, Bilaspur – 21st October 2001

497. Telemedicine in Action – The Apollo Experience.

498. Non-invasive management of brain tumours.

499. Guest Lecture – "Telemedicine in the care for the less than abled" National conference on INTEND 2001 "Information Technology in enabling care for persons with disability – Anna University, Chennai, June 26th 2001

500. Lecture on Stereotactic Radiosurgery - All India Radio National Broadcast – on Science Digest – September 27, 2001.

501. Invited Guest Lecture – Science City, Government of Tamil Nadu on Medical Sciences in 2010 – A peep into the future – Monday, 27th August 2001. Chennai

502. **Invited guest speaker on Telemedicine in international conference on IT, Communication Technology and Bioinformatics September 2001 Madras Confederation of Indian Industry Southern Region Chennai**

503. **Lecture – Demonstration on Telemedicine at Joint Conference of Confederation of Indian Industries and Apollo Telemedicine Networking Foundation Chennai**

504. **Organising Secretary, First Neurosurgical Video Teleconference with Fujita Health University, Japan & Department of Neurosurgery, Apollo Hospitals, Chennai. 2001**

505. Fourth National Conference of the Indian Society for Stereotactic and Functional Neurosurgery – October 27th & 28th 2001, Ahmedabad. Invited Guest Lecture – Stereotactic Irradiation for Malignant Cerebral Neoplasms.

506. **Invited Guest lecture Telemedicine in Action – Bangalore IT.Com 2001- November 2nd 2001**

507. **Invited guest speaker at First International Conference of Telemedicine in India (Telemed 2000 April 2000) Special lecture on "A Clinician's perspective of Telemedicine" and "Strategies for Introducing Telemedicine in India**

508. **Invited guest speaker at First International Conference of Telemedicine in India (Telemed 2000) – Special lecture on "A Clinician's perspective of Telemedicine" and Strategies in developing Telemedicine in India.**

509. Invited guest speaker at the 10th Asian Oceanian Congress of Neurology held at Manila Jan 22 – 26, 2000. "Linac based Stereotactic Radiosurgery" and "Neurosciences in the coming decade a peep into the future"

510. Invited for Guest Lecture "Computers in Neuro Sciences"

511. Tele-medicine can and overview presented at the National short-term course at Telecommunication in Bio-medical Engineering at Pondicherry on 26th March '99.

512. Stereotactic radiosurgery for Arteriovenous Malformations – Invited guest lecture at the 3rd national Conference of the Indian Society of Stereotactic and Functional Neurosurgery Pune Oct 1999

513. Delivered the Karmarkar Foundation Guest Lecture at the Annual conference of the Indian Section of the International College of Surgeons at Mysore on 23rd September 1999

514. Invited guest speaker "Stereotactic Radiosurgery for AVM" at the 4th Annual meeting of the Indian Society for Stereotactic and Functional Neurosurgery Pune 10th October 1999

515. Invited guest speaker Computers in Neuro Sciences' Second National conference on Indian Society of Health Administrators Bangalore 1999

516. High Precision Irradiation for Acoustic Neurofibromas – The Chennai Apollo Experience. Authors: Alex A Prasad, Rajendran B, Ganapathy K, Sankaranarayanan V Padmanabhan TK, Lakshmi S & Janos Stumpf. Paper presented at the Annual Conference of the Association of Radiation Oncologist of India, Lucknow – December 1998

517. The first Computers in Neurosurgical Practice. Invited guest lecture at the Sixth National Seminar on "Computer Applications to Hospitals and Health Care", Bangalore Nov 1999

518. Telemedicine - the medicine of the future Invited guest lecture at the Sixth National Seminar on "Computer Applications to Hospitals and Health Care", Bangalore November 1999

519. Invited for Guest Lecture (a) Computer in Neuro Sciences (b) Telemedicine can and overview presented at the National short-term course at Telecommunication in Bio-medical Engineering at Pondicherry on 26th March '99

520. Stereotactic Radiosurgery for Arteriovenous Malformations – Invited guest lecture at the 2nd national Conference of the Indian Society of Stereotactic and Functional Neurosurgery Bangalore, Dec 1998

521. Imaging in Stereotactic radiosurgery. IMAGE Update on Medical Imaging Feb 1998 Calicut.

522. The Dangerous Headache. Forum 98 Focused overviews reviews and updates in Medicine March 1998 Chennai

523. Stereotactic radiosurgery "Surgery "without a knife. Update in Medicine. APICON Assam '97. Kaziranga, December, 1997

524. "The nuts and bolts of presenting a paper". Paper presented at the 47th annual conference of the Neurological society of India, Trivandrum Dec 1998

525. Stereotactic Radiosurgery for Arteriovenous Malformations – an analysis of 75 cases. 47th annual conference of the Neurological society of India, Trivandrum, Dec 1998

526. Guest speaker "Role of X knife in Neurosurgery" CNE programme at NIMHANS, Bangalore Dec 1998

527. Invited Faculty on Telecommunication in Biomedical Engineering 15- 27 March 1999

528. Stereotactic Radiosurgery for arteriovenous, malformations – an analysis of 75 cases. 47th annual conference of the Neurological society of India Trivandrum Dec 1998

529. Janos Stumpf, TK Padmanabhan, V Sankaranarayanan, S Lakshmi, and PS Viswanathan: Linac Based Stereotactic Irradiation. First Meeting of the Indian Society for Stereotactic and Functional Neurosurgery. Delhi Dec 8-10, 1997

530. Stereotactic Radiosurgery for Arteriovenous Malformations 46th Annual Conference of the Neurological society of India Jaipur Dec 1997

531. Ganapathy K and Hariharan K: The brain-dead head trauma patient as an organ donor. Guest Lecture delivered at the 6th national Conference on Neurotraumatology, Varanasi August 18th 1997

532. Stereotactic radiosurgery of arteriovenous malformations. Paper presented at the 45th Annual Conference of the Neurological Society of India Calcutta December 1996.

533. Linac based Stereotactic radiosurgery. Guest Lecture delivered at the Annual Conference of the Kerala Chapter of the Neurological Society of India, Calicut March 24 1996

534. Invited Lecture on "Stereotactic radiosurgery - The Indian Scene" at the Coimbatore Neuro Club on Sep 22 1996

535. Institute lecture at the Indian Institute of Technology Kanpur Sep 16 1996 on "Management of brain diseases in the 21st century - the union between technology and medicine".

536. Invited Lecture on "Stereotactic radiosurgery - The Indian Scene" at the Sanjay Gandhi Institute of Medical Sciences at Lucknow Sept 15th 1996

537. Invited Lecture on "Stereotactic radiosurgery - The Indian Scene" at the First National conference on Minimally Invasive Neurosurgery. New Delhi Sept 12 1996

538. Stereotactic Radiosurgery. Lecture delivered at Calcutta July 26 1996.

539. Stereotactic Radiosurgery. Lecture delivered at Guwahati July 24 1996.

540. Stereotactic Radiosurgery. Lecture delivered at Madurai June 7 1996

541. Invited lecture at the National Neuro otology update Oct 27 1996 at AFMC Pune on "Stereotactic radiosurgery in the management of neuro ontological disorders".

542. Invited Lecture on "Brain Mind Enigma" at K.G. Coimbatore on Sep 22 1996

543. Applications of stereotactic radiosurgery. Paper presented at the Update session held on 26 August 1995 at the Tata Memorial Hospital, Bombay

544. Video presentation on "Stereotactic radiosurgery" at the national symposium on Stereotactic Radiosurgery Madras 7th September 1995.

545. Stereotactic radiosurgery. Guest Lecture delivered at the Eastern Neuro Scientists Association of India. Dibrugarh. October I995.

546. Transnasal endoscopic optic nerve decompression. A video demonstration. Presented at the Eastern Neuro Scientists Association of India. Dibrugarh. October I995

547. Guest Lecture on Head Injuries delivered at the IMA meeting at Pondicherry on 1st October 1995

548. Noninvasive management of brain tumours. Guest Lecture delivered at the IMA meeting at Ootacamund on 17th September 1995.

549. Stereotactic radiosurgery of intracranial arteriovenous malformations. A preliminary report. Paper presented at the 46th Annual Conference of the Neurological Society of India New Delhi December 1995

550. Transnasal endoscopic optic nerve decompression. A video demonstration. Presented at the Annual Conference of the International College of Surgeons Indian Section. New Delhi Oct 16 1995.

551. Stereotactic radiosurgery of intracranial space occupying lesions. A preliminary report. Paper presented at the 46th Annual Conference of the Neurological Society of India New Delhi December 1995

552. Transnasal endoscopic optic nerve decompression. A video demonstration. Presented at the 46th Annual Conference of the Neurological Society of India New Delhi December 1995

553. "Symposium on Brain Death – Ethical issues". paper presented at the First International symposium on trauma, anesthesia and critical care Aug 13-15 1995, Madras

554. "Imaging in modern neurosurgery" - Invited paper at the seminar on Update in imaging organised by the Indian Council of Medical Research July 23 1995 Madras

555. "MRI Brain in Neurosurgery" - Invited paper at the Neuro Update 95 held at Ramachandra Medical College on June 2 1995 Madras

556. "Radiosurgery in India" - Invited paper presented at the Scientific Symposium on "Stereotactic radiotherapy and Radiosurgery ". Apollo Cancer Hospitals, Madras. Jan 1995

557. "Neurological Diseases in the Unborn" - Invited paper presented at the Annual CME programme of the Neurological Society of India. Bangalore Dec 1994

558. "MRI in Pediatric Head Trauma" - Invited paper presented at the 1st Annual meeting of the Indian Society of Pediatric Neurosurgery Bangalore Dec 1994.

559. "Non-neurological manifestations of head trauma" - Invited paper presented at the 3rd National Conference on Neurotraumatology Aug 15-16th 1994, Bombay.

560. "MRI in Pediatric Head Trauma" - Invited paper presented at the 1st Annual meeting of the Indian Society of Pediatric Neurosurgery Bangalore Dec 1994.

561. "MRI in head injury" - paper presented at the 46th annual conference of the Indian Radiological and Imaging Association held at Madras, 22-25 Jan 1993

562. "Imaging of the spine and spinal cord" - Invited lecture at the update session in Neurosurgery held at Tiruchirappalli Feb 14 1993.

563. "Transnasal endoscopic repair of CSF fistula - A video demonstration" - paper presented at the 42nd Annual Conference of the Neurological Society of India, December 1993 Madras.

564. "Initial non-visualisation of giant glioblastoma in contrast enhanced CT" - paper presented at the 42nd Annual Conference of the Neurological Society of India, December 1993 Madras.

565. "CT and MR morphology of brain tuberculoma" - Invited lecture presented at the Continuing Medical Education programme of the Neurological Society of India at the 42nd Annual Conference December 1993 Madras.

566. "Surgery of Pituitary tumours" paper presented at the regional conference of the Association of Physicians of India 23rd August 1992

567. "Magnetic Resonance Imaging in Head Injuries". First National Conference on Neuro Trauma, Hyderabad, August 1992.

568. Invited participant for the first workshop on Biomedical Communication jointly organised by the ICMR and WHO held at Pondicherry from June 1-5, 1992

569. "To treat or not to treat" paper presented at the 39th Annual Conference of the Neurological Society of India - Indore 1990.

570. Invited participant - National seminar on bio-informatics organised by the National Library of Medicine (USA) and the National Informatics centre, New Delhi.

571. Panelist in panel discussion on "TO TREAT OR NOT TO TREAT" at the National Conference on neuro critical care, Madras, July 1990.

572. Invited speaker in symposium on stereotactic surgery - "Stereotactic interstitial brachytherapy". Madras, July 1990.

573. Invited speaker in seminar on Information resources in Neurological sciences – "Problems in accessing information in Neurological sciences, a consumer's view point". August 1990.

574. Invited speaker in National Conference on Neuro critical care –"The postoperative patient" - Madras July 1990.

575. Invited speaker (1) Epidemiology and prevention of head injuries (2) Surgical management of the chronic unconscious head injured patient. Lectures delivered at the Indian Medical Association Conference, Salem, June 1990.

576. Invited paper on "Frontline approaches to Head injuries" presented at FLAME 90, Frontline Approaches to Medical Emergencies Feb 1990 Madras.

577. Invited participant National Seminar on Bioinformatics, Oct 1990

578. Invited speaker "To treat or not to treat". Paper presented at the Conference "Frontline Approaches to Medical Emergencies" Feb 1990, Madras

579. "Statistical analysis of computerised tomographic scan values" - Paper presented at the Annual Conference of the Indian Society for Medical Statistics - Vellore, India.

580. Invited Guest Lecture, "What is new in Neurosurgery?" delivered at the 39th Annual Conference of the Indian Section of the International College of Surgeons in Vishakhapatnam, Andhra Pradesh, 1989.

581. CT guided medical management of Brain Tuberculoma. Paper presented at the 9th International Congress of Neurological Surgery October 1989, New Delhi.

582. "Acoustic morphology of intracranial space occupying lesions" paper presented at the South Asian regional Conference in Ultrasonography in clinical practice, Feb 1989

583. Diagnostic significance of CT numbers in ICSOL. Paper presented at the 9th International Congress of Neurological Surgery October 1989, New Delhi.

584. Annual oration of the Annual Conference of the Indian Medical Association, Pondicherry state Branch India "Infections of the Brain" January 1989

585. Guest Lecture of the Annual Conference of the Indian Medical Association, Pondicherry state Branch India on "Recognizing the dangerous Headache", January 1989.

586. "CT Morphology of intracranial space occupying lesions" - paper presented at the 34th Annual Conference of the International College of surgeons (Indian section) Pondicherry, September 1988.

587. Invited speaker "Ultrasonography in clinical Neurosciences" - symposium on "Frontiers in Neuroimaging" - 38th Annual conf. of the Neurological Society of India - Chandigarh Dec.1988

588. "Post traumatic cystic meningioma" - paper presented at the 38th Annual Conference of the Neurological Society of India - Chandigarh Dec. 1988.

589. Expert Member - Panel discussion on Cancer Chemotherapy - 33rd Annual Conference of the International College of Surgeons Indian section, Calcutta October 1987

590. "Ultrasound imaging of brain tumours" - paper presented at the 33rd Annual Conference of the International College of Surgeons, Calcutta, October 1987.

591. "Acoustic morphology of brain tumours" - paper presented at the 37th Annual Conference of the Neurological Society of India held at Hyderabad, December 1987.

592. "Neurological Sciences in 2001 A.D" - paper read at the inauguration of the Society for Medical Learning and Resources Transfer, January 12, 1986, Madras

593. Ultrasound in Neurological Disorders' - Lecture delivered at Madras Medical College at the Neurology Update session January 26th 1986.

594. "Spinal Injuries - A Neurosurgical Perspective" - Guest Lecture CME Programme. 36th Annual Conference of the Neurological Society of India, 12th December 1986. New Delhi

595. Post-operative Ultrasound imaging in adults - paper presented at the 36th Annual Conference of the Neurological Society of India, New Delhi, December 1986

596. "Functions of the brain" - lecture delivered at meeting of several Rotary Clubs and Lions Clubs in Madras city.

597. "The brain in relation to memory and concentration." Paper presented at the workshop on "In search of mental excellence" Dec. 1986 Madras.

598. "Isolated intraventricular hematoma secondary to ruptured anterior communicating aneurysm" - paper presented at the 35th Annual Conference of the Neurological Society of India at Patna, December 1985.

599. "Chondromyxoid fibroma presenting as a parasellar SOL" - paper presented at the 35th Annual Conference of the Neurological Society of India at Patna December 1985

600. Lecture delivered on "Headache - Danger signals" at Madras Medical College on 02/02/1985 for the Madras Branch of the College of General Practitioners and Indian Medical Association Madras

601. Lecture on recent advances in Neurology - delivered at Apollo Hospitals, Madras under auspices of College of Independent Practitioners, 1985

602. Ectopic Meningioma - An unusual presentation - paper presented at the Annual Conference of the Indian Society of Pathologists January 1984, Madras

603. Lecture delivered on "Functions of the Brain" at the Vivekananda College on 19/9/1984, under the auspices of the Madras Science Association, Madras

604. "Prevention of head injuries - attitudes of 1200 two-wheeler drivers in Madras city. A computer analysis of responses". Paper presented at the 34th Annual Conference of the Neurological Society of India, Varanasi, Dec.1984

605. "An unusual clinical observation". A video presentation at the 34th Annual Conference of the Neurological Society of India, Varanasi, December 1984.

606. "Long-term conservative management of multiple tuberculous intracranial abscess". Paper presented at 34th Annual Conference of the Neurological Society of India, Varanasi, December, 1984

607. "Purely intraoseous ectopic meningiomas". Paper presented at the 34th Annual Conference of the Neurological Society of India, Varanasi, December 1984.

608. "Delayed cerebellopontine angle pneumocephalus". Paper presented at the 34th Annual Conference at the Neurological Society of India, Varanasi, December 1984

609. "Functions of the Brain" - Guest Lecture at the meeting of the Tamilnadu Academy of sciences- April 1983, Madras

610. Lecture delivered on "Childhood and Brain development" on 15/12/84 broadcast by All India Radio on special invitation

611. CT scan study of seriously head injured patients - 32nd Annual Conference of the Neurological Society of India, Cuttack 1982.

612. Traumatic intracerebral hematoma - CT study - 32nd Annual Conference of the Neurological Society of India, Cuttack, 1982

613. CME lecture "Ultrasound in clinical neurosciences" delivered at the 35th Annual Conference of the Neurological Society of India, Patna, December 1981.

614. "Study of normal parameters in the CT scan in South Indians" 31st Annual Conference of the Neurological Society of India, at Vishakhapatnam, 1981.

615. "Pathological correlation of intracranial space occupying lesions with CT scan findings" - 31st Annual Conference of the Neurological Society of India at Vishakhapatnam, 1981

616. "Fifteen-year study of Intracranial Arteriovenous malformation", 30th Annual Conference of the Neurological Society of India, at Calcutta, 1980

617. "Fifteen-year study of intracranial aneurysms". 30th Annual Conference of the Neurological Society of India Calcutta 1980

618. "Epidemiology of Intracranial and Intraspinal tumours. 1974-1978". Paper read at the WHO sponsored National seminar on Neuro-oncology, at Bangalore, August 1979.

619. "Personality traits in acute head injuries" - 28th Annual Conference of the Neurological Society of India, 1978 at Trivandrum

620. "Comparative study of neurological and psychological changes in acute head injury" - 28th Annual Conference of the Neurological Society of India, 1978 at Trivandrum

621. "A survey of 500 two-wheeler users with specific reference to the use of crash helmets" - 27th Annual Conference of the Neurological Society of India, 1977 at Pune.

622. "Chronic subdural hematoma- Analysis of 75 cases". 26th annual Conference of the Neurological Society of India, 1976 Jaipur

MEMBERSHIPS OF NATIONAL / INTERNATIONAL COMMITTEES

1. Bureau https://www.cognitoforms.com/PDH1/CommunityOfMastersSpeakersBureau Partners in Digital Health Institute Speakers Bureau

2. Only Digital Health Expert from Asia selected to contribute to the mDementia Handbook https://www.who.int/health-topics/dementia#tab=tab_

3. Member, FICCI Task Force on Swasth Bharat 2021 onwards

4. Member Jury Jancare Healthcare Startup Challenge https://birac.nic.in/desc_new.php?id=807

5. Member, Committee to develop accreditation standards for Telemedicine/Telehealth/Virtual Health. Quality & Accreditation Institute (QAI) New Delhi – affiliated to International Society for Quality in Healthcare (ISQua).

6. Member Advisory Board https://www.asianhhm.com/advisory-board

7. Member, Joint Working Group on Telemedicine, Department of Health Research, Government of India 2011

8. Member, Expert Committee to evaluate 7T MRI Dept of Science & Technology Govt. of India 2011

9. Member, National eHealth Committee CII (Confederation of Indian Industry) 2011

10. Member Steering Committee, The Chariot Fund for Impact Investment (London School for Tropical Medicine and Hygiene) 2011 UK

11. Member, External Advisory Council University of Alabama - Integrative Graduate Education and Research Traineeship (IGERT) program of the National Science Foundation USA, 2011

12. Member, Medical Tourism Health IT Committee HIMSS Asia10 Health IT Congress Degu, South Korea, Oct 26-29, 2010

13. Convenor, Transforming Healthcare with IT Committee, Emerging Markets Symposium Oxford University, 2010

14. Member, Working Committee Telemedicine 2010, Ministry of Health Govt. of India

15. Member, Human Resources in Health Committee, 2010 Ministry of Health Govt. of India

16. Member, Advisory Committee: International Quality Standards for Teleconsultation Centers. The International Society for Telemedicine and eHealth (ISfTeH) 2009

17. Member, Expert Panel - Gates Foundation HIS Research Project in emerging economies2009

18. Principal Investigator on "Attitudes of acceptance of mHealth in India" project with Dept of Computer Information Systems Georgia State University, Atlanta USA two studies underway covering almost 4000 people across India

19. Member Core Committee, Neurosurgery Advisory Committee, National Board of Examinations, Ministry of health, Govt. of India 2009

20. Member, Working Group Health Informatics including Telemedicine (WG-HITm) for the 11th5 year plan period (2007-2012) Planning Commission Govt. of India

21. Member, National Advisory Group for implementation of IT Projects in Army Medical Corps, India

22. Member, Advisory Committee on Telemedicine, ISRO Dept of Space Govt. of India

23. Member, National Task force on Telemedicine, Ministry of Health, Govt. of India

24. Member Scientific Committee Expohealth 2006, 2009, 2011, 2012

25. Member, Expert Committee Medical Council of India "Standardisation of Digital information to facilitate implementation of telemedicine systems using IT enabled systems"

26. Member Executive Committee Center for Professional Development Anna University 2004 – only medical doctor in a high power committee

27. Member Health Care Subcommittee Confederation of Indian Industry Southern Region

28. Member, Board of Directors of Kosovo Telemedicine Foundation 2002

29. Member high power Govt. of India / Federation of Indian Chamber of Commerce and Industries delegation to visit Baghdad (Only medical doctor) 2000
